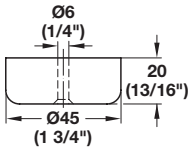
- Economically priced glides meet all the requirements of a high quality furniture glide
- Minimal contact pressure due to flat base and easy movement with radiused edges
- Available in different heights, these glides are especially suitable for upholstered furniture
- The molded, press-fit stem ensures that the glide fits close against the furniture, preventing any unwanted twisting
- Static load rating: approximately 50 kg (110 lbs.) per glide
- With screw-hole



Flat Head #9
