60" (1524)	60" (1524)	422.10.998

Note
This slide is not intended to support human weight as injury may result.

Platform Bracket Kit

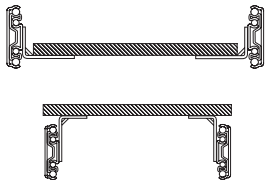
Brackets allow for two mounting options:

1. Bottom Mount:
One bracket attached to the outer member of the slide and the base of the cabinet. The other bracket attached to the inner member of the slide and the platform or tray.

2. Side Mount:
The slide's outer member attaches to the side of the cabinet and the bracket attaches to the slide's inner member.

Brackets are unhanded and available in lengths of 12", 16", 22" and 28". These four sizes, used individually or in combination, will accommodate all slide lengths. To assist in bracket kit selection, see the chart below:

Side-mount Applications
- Pantry pull-outs
- Printer platforms
- Tray installations



Bottom-mount Applications
- TV pull-outs
- Entertainment unit shelving
- Heavy-duty storage platforms
