

6" Premium Aluminum Oxide FilmBac Discs

- Individual tabbed discs include release paper liner which gives the product a great shelf life because it stops grit or dust contamination
- Discs are open coat and include a sterate coating to resist loading
- Ideal for sanding paint, primer, metal, wood, fiberglass and plastic
- Fast cut, long life and consistent finish
- Pres-Loc hook and loop fastening system allows for quick changes and decreased downtime
- FilmBac is a tough, polyester film backing that is strong and durable lasting 3 to 4 times longer than standard paper discs
- Ultimate tear resistance and sanding uniformity for consistent sand scratch depth throughout the life of the disc
- 100 discs per package
