

KV – Pull-Out Bottom Mount

- Epoxy-coated, heavy-duty ball bearing precision slides with overtravel
- Specialized wire management system holds bins securely in place
- Pre-assembled units install easily with only four screws
- Easy-open handle is standard on all three and four bin bottom-mounted units and optional on single and double bin units; its wide, open architecture makes it easy to grasp
- Load capacity: 80 lbs.
- Optional door-mount bracket with new features, refer to page 3.24
- For replacement bins, lids and handles, refer to page 3.24

Note

If using lid, add 3/4" to height
